Question: What is CJSF?

Answer: The purpose of the California Junior Scholarship Federation, a state-wide organization of over 600 chapters, is to foster high standards of scholarship, service, and citizenship on the part of students of California's public and private junior high and middle schools.

Question: What are the requirements for CJSF members?

Answer: You must have at least 8 points (A=3, B=1, (Pre AP B=2), C=0) in your four main academic classes (history, lang. arts, science, and math).

Question: Can a student who qualifies for membership on the basis of academics be rejected for membership?

Answer: Yes. A "D" or "F" earned in any subject or an "N" or a "U" in citizenship automatically disqualifies one from membership.

Membership is based on the grades earned during the preceding trimester. Students must reapply every trimester. Listen to the morning announcements or check the CJSF bulletin board outside of the library.

Question: What is an Honor Member?

Answer: An Honor Member is a student who has qualified and applied for membership in 3 semesters during the 7th and or 8th grade.
